

# Capability Statement

Version 1 | May 2026

Astra Street Furniture is a family-owned company committed to providing the market with premium street furniture pieces that have been designed and manufactured locally here in Australia and stocked in large quantities. Supplying projects nationally across council, education, transport, commercial and community sectors. These products and services include:

1. Australian-made street and outdoor furniture supply – extensive range of benches, seats, picnic settings, tables, litter bins, planter boxes and bike racks.
2. Shelter systems and outdoor structures – outdoor shelters and shade structures designed to enhance urban and commercial spaces.
3. School and public space furniture – furniture solutions tailored for schools, councils, parks and community environments.
4. Landscape suite collections – coordinated outdoor furniture suites (e.g., bench & bin combinations, settings, planters).
5. Customisable finishes and options – custom colour, materials and product adaptations to suit project requirements.
6. Fast dispatch and reliable supply – stock-focused supply model with frequent dispatch to reduce lead times.

Astra Street Furniture supplies designs and manufactures to stringent quality standards, complying with relevant Australian requirements for public environments.

The Astra Street Furniture Quality Advantage can be viewed on the [website](#). Astra Street Furniture is committed to pursuing an ongoing environmental conservation and sustainability policy. This can be viewed on the [website](#).

We continually seek to develop effective solutions for each and every unique situation.
